How to Use Your Dictionary

1. Find your letter

Each page has a letter. Find the one your word starts with.

2. Write your word

Write your new word carefully on the line. Take your time.

3. Draw a picture

In the box next to your word, draw a small picture to help you remember.

4. Collect words every day

This is YOUR dictionary. Watch your word garden grow!

A word is a flower

in the garden of your mind.
